Commissioner for Patents

The reply filed on 9/14/2007 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicants were required to elect a single species of the elected compound as well as a single species of virus for examination. In the reply filed 9/14/2007, Applicants elected a sub-genus from the compounds of Formula I (i.e., Y is C1-C22 alkyl, X is C1-C22 alkyl) and did not elect a species of virus. In response to this notice, Applicants must elect a single species of Formula I by identifying the specific substituents (e.g., Y is methyl and X is ethyl) as well as a single species of virus (e.g., herpes virus). See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
